The 2026 National Trustees Gathering on Education, Innovation & Reconciliation was set against the stunning backdrop of Whistler, British Columbia. The conference brought together hundreds of school board trustees and education partners from across the country.

Thank you to all who attended, presented and volunteered.

A special thank you to the British Columbia School Trustees Association for hosting this incredible event filled with top quality programming and memorable moments. These snapshots represent just a small glimpse into the 2026 event.

See you next year
in Regina!
